Only members' names, telephone numbers and email address are held on the HF Edinburgh email list which can be accessed by two committee members. All other data is held on committee members' password protected computers. You can ask to have your data removed at any time.

I am fully aware that I undertake all activities with HF Edinburgh Walking Group at my own risk. I am aware that HF Edinburgh Walking group does not have trained guides and I am therefore responsible for my own safety. I realise that the walk organisers are not legally responsible for my welfare on walks but facilitate the enjoyment of a group walk for all members
